Jacobs Consultancy Inc Murder Mystery & Game Show

Dear Jon:

Thank you for a great day! Everyone enjoyed the murder mystery and loved the Game Show. The actors were GREAT! It was very clever, funny and entertaining all at once. I know that I gave you a lot of back ground information on most of our staff, but you took it and wove it into a plot for the murder mystery that was fun and simulated everyone's imagination and curiosity. The Game show was the best. Everyone was hysterical! They have already asked me if we can do it again next year! I hope that we can. Thank you again for all of your hard work – it was well worth it from our point of view.

Regards,

Judy Mullen
