Dear Jon-

How are you? Better yet how is the congresswomen? Your performance at our holiday party was fabulous and all had fun.

Your form of entertainment allowed individuals to break out of their corporate shell and for that we at MTS Health Partners are extremely grateful. Your team of actors are professional, creative and most importantly fun; we had a ball interacting with them. You and your team were the perfect addition our spectacular holiday party. The Killing Kompany is the perfect solution to solve all humdrum parties.

Once again thanks for everything and we look forward to working with you at our next event. Wishing you and your team a Happy Holiday and Prosperous New Year.

Best regards,
