November 7, 2011

Dear John and fellow actors of the Killing Kompany,

On behalf of the board of NYWLE and the conference attendees, I wish to extend our heartfelt thanks to you and the members of your company for such a fun evening the night of our banquet dinner during our annual training conference. The acting was superb! More than a few of our attendees were completely fooled early on to the point where I overheard one attendee informing one of the actors that we were having a "murder mystery" event during the dinner! Needless to say I had to keep my head down not to laugh.

You took control as M/C and kept the pace going throughout the evening. The music was a great surprise that was welcomed by all. The fact that everyone got involved was a testament to how well you and your company were received.

Thank you once again and I am sure more than a few of us will keep your company in mind if we need some entertainment down the line.

Sincerely,

Cathy Johansen  
Southern Region Representative  
Co-chairperson, 2<sup>nd</sup> Annual Training Conference
