Jon-

We just wanted to take a moment and thank you so much for the excellent dinner show the other night. In case you could not tell from all the laughs, everyone did have a great time. You did a wonderful job incorporating the information we provided on the attendees into the story. The awards were hysterical and are being proudly displayed by those that received them!

Thank you again for making our celebration dinner even more special. We look forward to the next event we have where we can call upon your acting skills!

Sincerely,

All of us at Paychex
